

Live Fortune Telling

Jane Anderson

Oxford Brookes University

Madame Rosina will read your live project fortune using various magical artefacts.

Madame Rosina can describe your live project using her powers of empirical research. How long is your live line? She can show you how you are connected to others you may never have met, through her taxonomy of live projects.

Are you shy and retiring? Do you enjoy spending your time in the country, making things? Perhaps you are a Woodland Creature.

Or perhaps you are outspoken and gregarious. At home out on the street drawing attention to issues that your neighbours prefer to ignore? You might be an Artist Activist.
